## Terms & Conditions

### SUMMARY TERMS & CONDITIONS (INCLUDING FARE CONDITIONS) AND CONDITIONS OF CARRIAGE

The information below is a summary of some of the Terms & Conditions (including Fare Conditions) and Conditions of Carriage. It is the full [Terms & Conditions \(including Fare Conditions\) and Conditions of Carriage](#) that apply if anything differs from them.

#### Fare Conditions

Your fare type has its own fare conditions, which cover booking changes, costs, cancellation rules, and whether your booking is refundable. You can find the fare type for your sailing on the e-Ticket. To view the Fare Conditions visit [bluebridge.co.nz/terms-and-conditions](http://bluebridge.co.nz/terms-and-conditions).

#### Booking Changes

You can request changes to your booking up to 1 hour before departure. You will need to pay any fare difference. Depending on your fare type, you may not be able to change or cancel your booking without cost, and some fares and additional items (e.g., cabins, excess baggage etc) are non-refundable, including the credit/debit card payment fee. All changes are subject to availability.

Changes can be made [online](#), through our Contact Centre, at our terminals, or through the authorised agent or reseller you booked through.

Tickets can be transferred to another person but cannot be sold. You must advise us of the change of name(s) and notify all new passengers of our Terms and Conditions (including Fare Conditions) and Conditions of Carriage.

#### Check-in and Boarding

You must be checked in one hour before the departure time. If you do not check in or board on time your booking may be cancelled, and no refund will be provided. You may be asked to present suitable photo ID. If you fail to present this when asked you may be denied travel. All gang patches and insignia must be removed before checking in. Groups of travellers affiliated with an organisation and wearing a patch or insignia may be asked to remove this before or during travel. Failure to comply with these conditions may result in you being denied travel.

#### Right to refuse carriage

Travelling aboard any of our ships is at the sole discretion of Bluebridge. We have the right to refuse to carry you, or your property for any reason. If we refuse to carry you, and/or your property for any reason, we will not be liable to you for any loss or expense incurred as a result.

#### Baggage

Hand luggage - you may carry on board one small bag weighing up to 7kg, plus one small personal item. Alcohol, musical instruments, sporting equipment or large bags must be checked in or stored in your vehicle.

Checked baggage - you can check in up to two bags per person with a maximum weight of 30kg per bag. Extra and overweight bags may be checked in at an additional charge per item. Visit our Luggage and Extras page at [bluebridge.co.nz/check-in#luggage-and-extras](http://bluebridge.co.nz/check-in#luggage-and-extras) to find out what we can carry.

#### Sailing delays or cancellations

Our schedules, departure times and journey times are not guaranteed and may be subject to change. We are not liable for any direct or indirect loss or expenses suffered by you because of any sailing departing or arriving late or early, or any cancellation of a scheduled sailing for any reason. We will let you know of any changes in schedules, departure times and journey times as soon as we can.

#### Vehicles

You must follow all instructions given to you by our staff. Carriage of a vehicle is at our discretion and may be refused for any reason, including if we consider it to be insecurely loaded or otherwise unfit for carriage. At the time of check-in, we may reassess any vehicle based on its type, size, length, or weight, and change the applicable fare accordingly. Any increase in fare must be paid before boarding. Once onboard all vehicles must be parked with their handbrakes applied and in gear, any alarms turned off, and the vehicle locked. All gas bottles in motor homes must be turned off.

#### Travelling with animals

Pets must be kept in your vehicle, or in a kennel on the vehicle deck (which is available for hire from Bluebridge) for the duration of the sailing. While the ship is sailing, the vehicle decks are locked, and you cannot visit your animals. Horses, llamas and alpacas can be booked online or through our Contact Centre. All other livestock must be booked through the Bluebridge freight team. If you are bringing an assistance dog onboard, you will need to let us know when you check in and you will be required to present its certification tags or documents.

# Terms & Conditions

## Dog-friendly cabins

On Connemara, there are dedicated dog-friendly cabins that you can prebook for an additional fee. A maximum of two dogs are allowed per cabin. No other animals are allowed in the dog-friendly cabins.  
Dogs are not allowed in the main passenger areas of the ship (excluding certified assistance dogs). Dog-friendly cabins have their own dedicated stairwell that you must use when boarding or disembarking. Outside of your cabin, your dog is only allowed to be in the communal outside dog exercise area.  
You must keep your dog leashed or in a carrier when walking to and from the cabin or when using the communal dog exercise area. If your dog is considered to be of a dangerous breed, or is not very social, it must be muzzled as well.  
If your dog creates a mess onboard or at our terminals, you must clean it up.  
All dogs travelling on board must be fit and healthy prior to boarding. Injured and/or diseased dogs are not permitted to travel in the dog-friendly cabins.  
We will try to ensure that other passengers do not approach your dog, but we cannot guarantee this will not happen. We do not accept any responsibility for any liability or damage caused by your dog while on board or at our terminals. You understand that if an injury or incident occurs which was caused by your dog, you may be reported to the relevant authorities, and in some cases, it could give rise to criminal or other legal liability.  
If your dog causes damage to our property, we reserve the right to charge you by invoice to repair the damage. Criminal charges will be pursued in extreme cases.

## Pōhutukawa Lounge

Pōhutukawa Lounge access is available to passengers aged 16 years and older who have booked access to the Pōhutukawa Lounge. Anyone aged 16 or 17 may enter the Pōhutukawa Lounge only if booked with and accompanied by their parent or legal guardian. Alcohol will not be served to passengers under 18 years old.

Valid photo identification proving age must be presented to any Bluebridge staff member upon request. Failure to do so may result in denial of entry or removal from the Pōhutukawa Lounge, with the affected passenger(s) required to move to the general passenger area. In such cases, any refund for the money that you have paid for Pōhutukawa Lounge access will be at our discretion.

All passengers must wear tidy clothing when accessing the Pōhutukawa Lounge. Gang patches and insignia, high-visibility clothing, and bare feet are prohibited.

## Dangerous Goods

Carriage of dangerous goods is at our discretion and must be preapproved by us by calling 0800 844 844. Dangerous goods must be declared to us when you check in. Dangerous goods cannot be carried in your hand luggage.

Further information on what is meant by "dangerous goods" is provided by Maritime NZ at [maritimenz.govt.nz/content/commercial/ships/cargo-carriage/default.asp#dangerous](http://maritimenz.govt.nz/content/commercial/ships/cargo-carriage/default.asp#dangerous).

Please check the full Conditions of Carriage for dangerous goods on our website [bluebridge.co.nz/terms-and-conditions](http://bluebridge.co.nz/terms-and-conditions).

If you have any questions about the goods that you are carrying, please contact us on 0800 844 844.

## Firearms and munitions

Firearms and munitions must be declared when you check in and be locked securely in your vehicle or carried as checked-in baggage. All firearms must have their bolts removed (where applicable) and must otherwise be rendered inoperable to the maximum extent applicable when on the ship. You will need to present suitable photo ID to collect your checked-in firearms and munitions.

## Alcohol

You are not permitted to consume alcohol on Bluebridge premises while waiting to check in or board the ship. On board, you can only consume alcohol that you have purchased on board. You may not bring alcohol on board in your hand luggage.

## Smoking or Vaping

Smoking (including the use of e-cigarettes or vapes) at our terminals or onboard is only permitted in the designated smoking areas.

## Operating drones

The operation of drones from our vessels while at port or at sea or at our port facilities is strictly prohibited unless written permission from Bluebridge is received prior to travel.

If permission is granted, it is the drone operator's responsibility to ensure that all relevant permissions from national and local jurisdictions have been granted prior to travel and evidence this has been completed will be required. If permission to use a drone has been granted by Bluebridge, the operator must follow all crew instructions, comply with Civil Aviation Authority and local jurisdiction rules, and cease operating the drone immediately if requested.
